On AI – Hit Refresh (p201)

- “...we want to build intelligence that augments human abilities and experiences. Rather than thinking in terms of human vs machine, we want to focus on how human gifts such as creativity, empathy, emotion, physicality and insight can be mixed with powerful AI computation [...] to help move society forward.”

Transcript

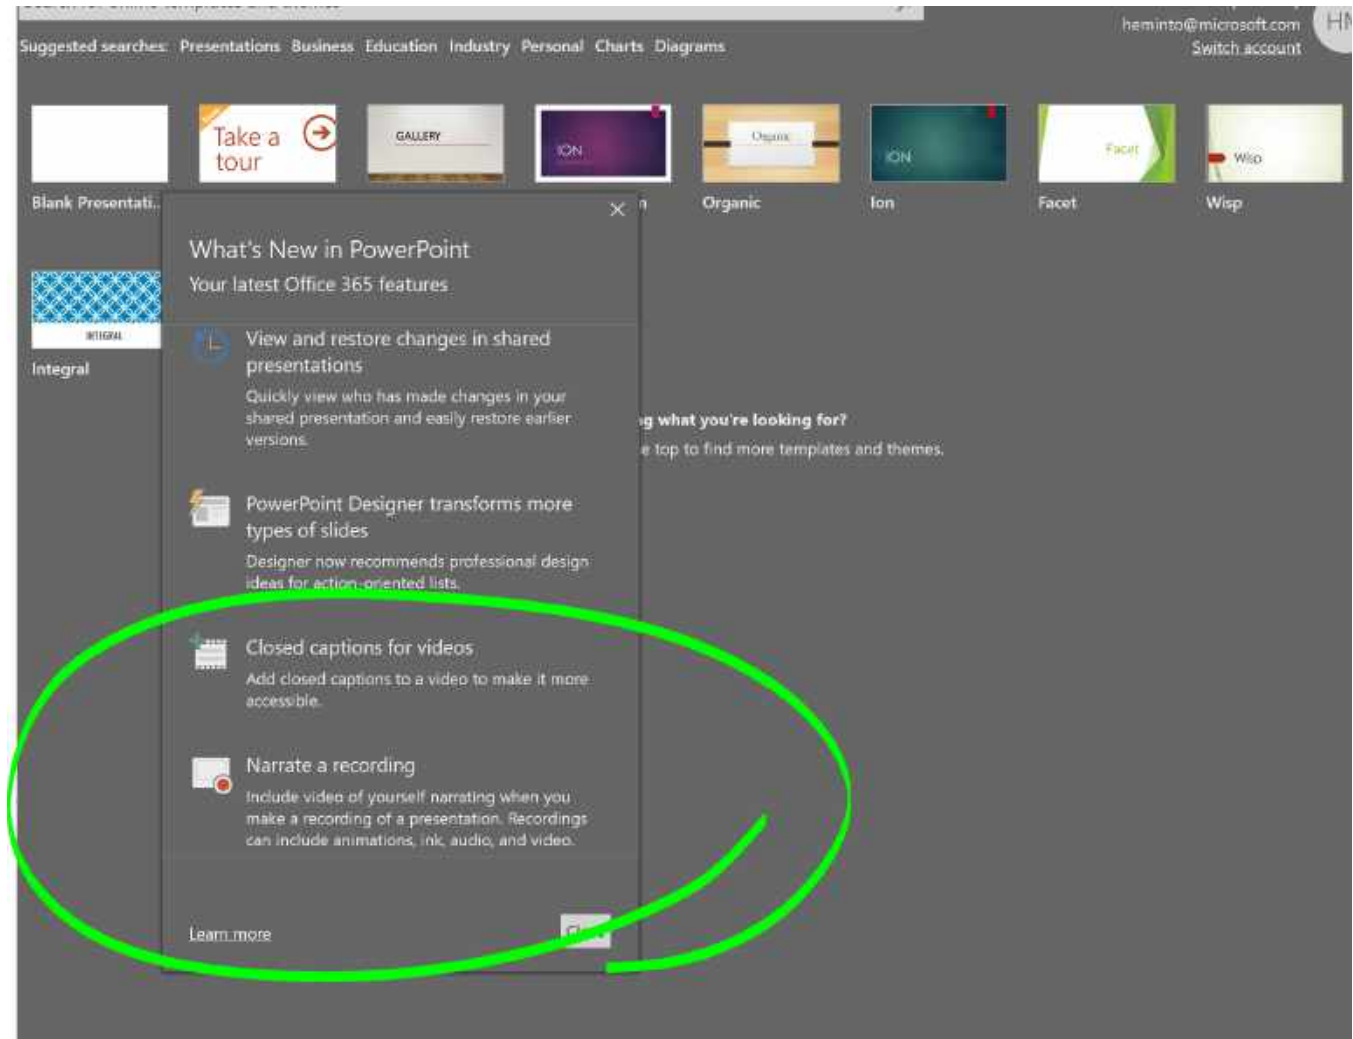

- 00:34 is really working hard and I'm sure December is going to be a crazy month but
- 00:38 we're in great shape and keep pushing - I'm right behind you.
- 00:43 And as you go into Christmas I just hope that everyone has the opportunity to recharge
- 00:49 their batteries, spend some time with loved ones, celebrate the holidays.
- 00:54 I hope you're all safe, happy, well over
- 00:57 the holiday season and I can't wait to see you all again in January. Thanks everyone.
